

The Lion King Jr.

Video Recording order form

As many of you already know, Disney does not allow any photography or video taken during their performances. We paid Disney for the rights to have the drama club's performance of Saturday's show professionally video recorded. We are allowed to sell recordings to cast members only. If you would like a copy, please fill out this form and return to Ms. J by May 17th with a check for the appropriate amount. (Please make check payable to LCA with *The Lion King Jr. DVD* in the memo line).

We are making the recordings available on DVD's or USB's. Please specify which you prefer.
